SUMMARY

Frontend Developer with a strong foundation in HTML5, CSS3, and JavaScript (ES6+), focused on building responsive, user-friendly web applications and integrating REST APIs. Skilled in translating designs into clean, accessible interfaces and solving problems through collaborative, deadline-driven work. Currently expanding expertise in React.js to deliver scalable, component-based frontend solutions.

SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+)

Frontend: Responsive Web Design, Flexbox, CSS Grid, DOM Manipulation, API Integration

Version Control: Git, GitHub

Tools: VS Code

Currently Learning: React.js, TypeScript, Bootstrap, Tailwind CSS

PROJECTS

Personal Portfolio

HTML5, CSS3, JavaScript

Live Demo — GitHub

- Designed and developed a fully responsive portfolio website to showcase projects, skills, education, resume, and contact information.
- Implemented responsive layouts with HTML5 and CSS3, ensuring consistent rendering across devices.
- Optimized page performance and usability across desktop, tablet, and mobile screen sizes.

Weather App

HTML5, CSS3, JavaScript, OpenWeather API

Live Demo — GitHub

- Developed a weather application integrating the OpenWeather API to display real-time weather data by city search.
- Utilized the JavaScript Fetch API to retrieve and dynamically render live data without page reloads.
- Implemented error handling to gracefully manage invalid city searches and failed API requests.

E-commerce Website

HTML5, CSS3, JavaScript

GitHub: github.com/jaganjidodev/ecommerce

- Developed a responsive e-commerce website featuring dynamic product listings and category browsing.
- Built a shopping cart system using JavaScript to manage item selection, quantity, and totals.
- Enhanced interactive UI elements with JavaScript, improving overall user experience across devices.

INTERNSHIP EXPERIENCE

SwipeGen

Data Science Intern

Feb 2026 – Mar 2026

- Completed internship assignments involving data preprocessing and introductory machine learning concepts.
- Strengthened analytical thinking and problem-solving skills through hands-on practical tasks.
- Collaborated with mentors and peers, delivering assigned work within set deadlines.
- Earned internship completion certificate recognizing consistent performance and reliability.

EDUCATION

R.B.A.N.M.'s First Grade College

Bachelor of Computer Applications (BCA)

Bengaluru, Karnataka

Graduated: 2026

CERTIFICATIONS

Data Science Internship Certificate — Issued by SwipeGen (February 2026 – March 2026)
